RENEWED PETITION UNDER 37 C.F.R. § 1.137(b)

Dear Sir:

This is a renewed petition for revival under 37 C.F.R. § 1.137(b), originally submitted on November 20, 2007.

The above-identified application became abandoned for failure to file a timely and proper response to a notice or action by the USPTO. The entire delay in the filing of this response was unintentional.

The Decision mailed February 27, 2008 dismissed the petition but indicated that a renewed petition could be filed within two months.

The decision also stated that "the response required for a renewed petition must be a Notice of Appeal and requisite fee, or the filing of a continuing application under the terms set forth in 1031 O.G. 11". Decision on Petition, page 2. We have been unable to locate the text of 1031 O.G. 11, on the USPTO website or elsewhere, so that we can comply with its terms.

Telephone messages were left for Senior Petitions Attorney Patricia Faison-Ball on or about March 18, and on March 25 and April 1, 2008. No response has been received.

This renewal of petition is accompanied by a continuation application and the required continuation application fee.

No fee is believed to be due for the renewal of petition. However, the Commissioner is authorized to charge any fees due to deposit account no. 20-1504 (ITL.0289C1US).

Respectfully submitted,

Date: April 3, 2008
